

Ref. No. 8393(23)/ 97

December 29th, 2022

Subject: Invitation to 7th Thailand International College Consortium International Conference

2023 (TICC 2023)

To whom it may concern

The International College of Digital Innovation, Chiang Mai University, has scheduled the 7th Thailand International College Consortium International Conference 2023 (TICC 2023) with the objectives of supporting the students to disseminate their research findings publicly, encouraging those who are interested to beneficially utilize the research results, creating an opportunity to exchange knowledge between researcher and students as well as providing new experiences related to the field of Business and Management; Science, Technology and BCG Economy; Art Media, Communications, Inter-cultural Communication; Tourism, Hospitality and MICE; International Studies; Education, Learning technology, STEM; Holistic Health and Wellness Management; Digital Innovation; International Relation; Languages; and Logistics and Supply Chain. In addition, TICC 2023 is the channel for presenting research results publicly, which will enhance student's confidence in presenting the research findings, and eventually create a network of cooperation leading to further development in academic research areas in the future, especially in relation to the International College Network of Thailand. The conference will be held between February 4th- 5th, 2023 from 08:00 a.m. – 04.30 p.m. at Centara Riverside Hotel Chiang Mai as per the schedule attached.

In this regard, the International College of Digital Innovation would like to invite everyone to join the 7th Thailand International College Consortium International Conference 2023, according to the aforementioned date, time, and place. Please contact +66 5394 3711 or visit <https://ticc.icdi.cmu.ac.th/> for more information.

Sincerely Yours,

Assistant Professor Dr. Rujira Ouncharoen

Dean of International College of Digital Innovation
